

The Joel Sloan Camp Fund was established to honor a man who served as counselor at camps for many years and impacted countless young lives. When Joel died after a hard-fought battle with cancer, he left behind his loving wife and sons, but he left behind another family as well: the hundreds of kids who attend Florida College camps.

JOEL SLOAN CAMP FUND

Help a Florida College camper in need!

Since its inception in 2015, the Joel Sloan Camp Fund has provided 322 campers with scholarships. Campers receive on average \$130 to help with the cost of attending one of 22 Florida College camps across the country. While the needs are diverse, there is one thing they all have in common: these young people thrive in these weeks of focused social, spiritual and physical development which they could not afford without Joel Sloan Camp Fund scholarships. The generosity of our committed donors has made these 322 scholarships possible.

Your contributions can help make 2018 our best year of giving yet!
